SKU : TRAY17633

External Size: 120 x 120 x 15cm
Min Internal Dimensions: 111 x 111 x 13cm
Capacity: 144Litres

This is probably the largest drip and spill tray that you can buy off-the-shelf. It's massive size and capacity makes it suitable for so many purposes.

Not only useful for catching drips and spills over a large area it has also been used as a temporary bund for small tanks. Great for using in the warehouse and storage facility.

It has been known to be used as childrens sand pit and even a paddling pool!

Made from recycled polypropylene
