

# 10 Litre Oil and Fuel Mini Spill Kit (with sock)

Product Code: KIT18128

The 10 Litre Spill Kit for Oil and Fuel is the smallest kit available.

Kit contains:

- 1 x 1.2 metre oil and fuel absorbent sock
- 12 x medium weight 40 x 25cm oil and fuel absorbent pads
- 1 x Pair of disposable gloves
- 1 x Disposal Bag and tie

Sorbent capacity: 10 Litres

Supplied in a clip close bag it's easy to get at when you need it the most. Perfect when space is at a premium, in a van, boot of a car or just handy to have when you're on site or in the field.

Contains the same high quality oil and fuel only absorbents that are used in all of our spill kits.
