Product Code: PAD18691

Pad Size: 40cm x 50cm

Pack qty: 10

Pack sorbency: 10 Litres

Highly versatile Bonded Heavyweight Weight oil only absorbent mat that is able to be put to use inside or out in the open, in the wet or dry.

SERPRO Oil Only Absorbent Pads will float upon water and exclusively soak up the oil

These kind of absorbent pads are perfect when it comes to the absorption of hydrocarbon leaks. They are an ideal solution for remote personnel in the field while operating in the vicinity of water and the possibility for oil, or fuel, contamination is very high. Since they only absorb the hydrocarbon substance they are often made use of as oil spill skimmers in wetlands or

streams.

SERPRO Oil Only absorbent products are a great choice when you have to blanket a more substantial spill either inside or outdoors and when soaking up just the oil, and not the water, is absolutely necessary.
