Product Code: PAD17738

Size: 40cm x 50cm

Pack qty: 100

Pack sorbency: 120L

Supplied Poly-Wrapped

Exceptionally versatile Un-Bonded Heavyweight oil and fuel only absorbent mat that is able to be used indoors or out in the open, in the wet or dry.

SERPRO Oil Only Pads will float on water and exclusively soak up the oil

These absorbent pads really are recommended when it comes to the absorption of hydrocarbon spills. They are a tremendous solution for remote workers in the field in cases where operating near any water and the chance for oil, or fuel, pollution is significant. Since they exclusively absorb the hydrocarbon liquid they can be put into use as oil spill skimmers in ponds or streams.

SERPRO Oil Only products are a great choice when you have to blanket a more substantial spill either indoor or out in the open and when soaking up only the oil, and not the water, is absolutely essential.
