Product Code: PAD17741

Size: 40cm x 50cm

Pack qty: 100

Pack sorbency: 120L

Supplied in convenient dispenser box.

Highly useful Un-Bonded Heavyweight oil only absorbent pad that can easily be used inside or out in the open, in the wet or dry.

SERPRO Oil and Fuel Only Pads will float on water and exclusively absorb the oil

These kind of absorbent pads are perfect when it comes to the absorption of hydrocarbon spills. They are an optimal product for rural workers in the field when operating close to any water and the possibility for oil, or fuel, pollution is very high. Since they basically only absorb the hydrocarbon liquid they are often put into use as oil spill skimmers in ponds or rivers.

SERPRO Oil Only products are recommended when you have to blanket a more substantial leak either inside or outdoors and when absorbing only the oil, and not the water, is absolutely necessary.
